

# Joint Venture Case Reference

# Overview - Global Engineering

**90%**

Serving China  
Civil Airports

**30**

Serving  
Countries  
(Regions)

**250+**

Serving  
Airports

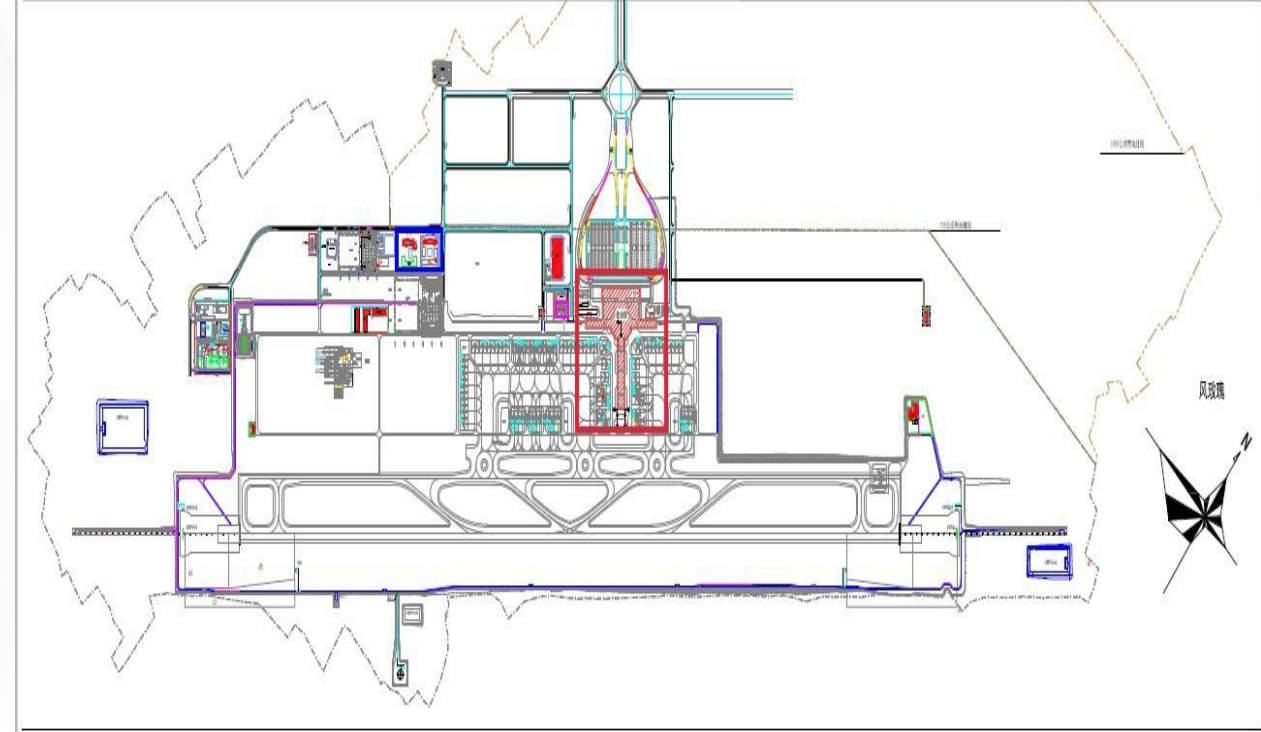

**1.5b**

Serving  
Passengers per  
Year

**50** airport projects in **30**  
countries and regions  
with a total contract value of  
**US\$ 330 M**

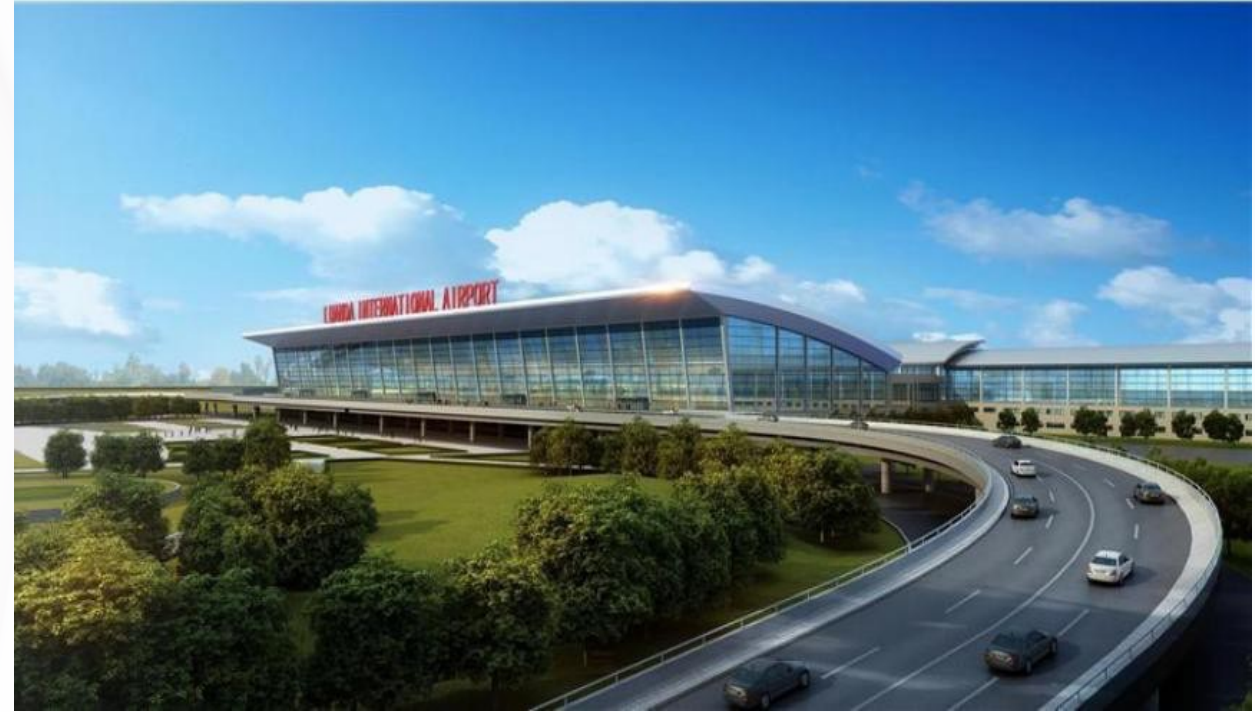

# ELV & ICT System

## Siem Reap Angkor Int'l Airport, Cambodia

- Aviation hub in Cambodia
- Terminal area: 88,000 square meters
- Major project under China-Cambodia cooperation framework

# ELV & ICT System

## New Luanda Int'l Airport, Angola

- Aviation hub in West Africa
- Designed passenger throughput :15 million
- Two airfield areas: 4F,4E

# ELV & ICT System

## Beijing Daxing Int'l Airport

- Terminal area: 700,000 square meters
- Design of all ELV& ICT subsystems
- Construction of PAS, Intercom System, BWC, UWB Indoor Positioning etc.

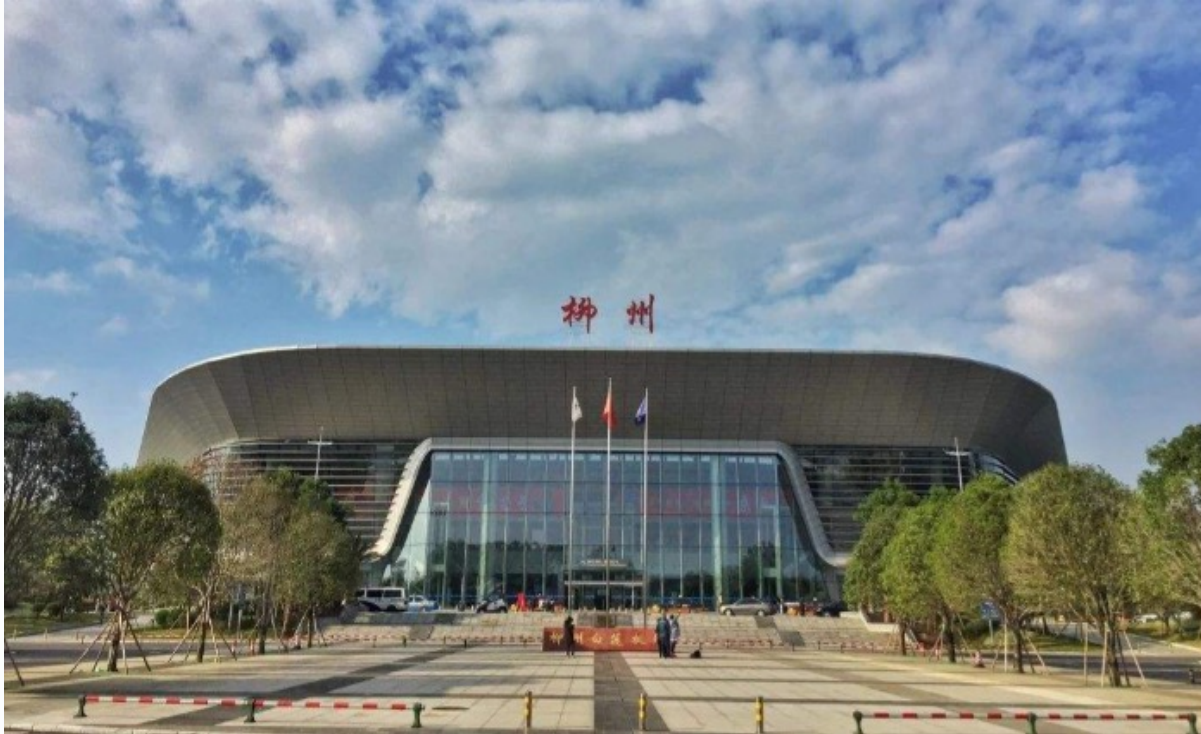

# ELV & ICT System

## Changsha Huanghua International Airport

- Terminal area: T1 Terminal 53,000 m<sup>2</sup>, T2 Terminal 213,000 m<sup>2</sup>
- Passenger throughput: ~96,000 per day
- Conventional CCTV upgrades, smart camera deployment, panoramic high-point monitoring etc.

# ELV & ICT System

## Liuzhou Bailian Airport

- Terminal area: T2 Terminal 22,800 m<sup>2</sup>
- Passenger throughput: ~1.8 million annually
- Control center upgrade, conventional CCTV upgrades, smart camera deployment, high-point panoramic monitoring etc.

# Overseas Engineering Reference

Project Name	Contract Party
BHS Equipment Supply of Sangster International Airport, Jamaica	Chengdu Zhongchang Trade Company
Design & Consulting of Electromechanical Systems of SANAA International Airport, Yemen	Nutech
BHS & ELV System Engineering Contract of Comoros Airport	China Civil Engineering Construction Corporation
Technical Consultancy for ELV System in Maya-Maya International Airport, Brazzaville, Congo	Weihai International Economic & Technical Cooperative Co., Ltd
Cargo Management System of Maputo International Airport, Mozambique	Anhui Economic Construction (Group) Co., Ltd
BHS Renovation in Prince Said Ibrahim International Airport, Moroni, Comoros	China Civil Engineering Construction Corporation
Purchase Contract of Brazzaville Maya Airport Project, Congo	Weihai International Economic & Technical Cooperative Co., Ltd
BHS System Engineering in Ollombo International Airport, Congo (Brazzaville)	China Jiangsu International
BHS Expansion Project in Macau Taipa New Terminal	Zhenhua Harbour Construction Co., Ltd
ELV System of Maya-Maya International Airport, Congo (Brazzaville)	Weihai International Economic & Technical Cooperative Co., Ltd
ELV System for Hotel Project at Maya-Maya International Airport, Congo (Brazzaville)	Weihai International Economic & Technical Cooperative Co., Ltd
Procurement and Installation of ELV System for Terminal Building of Luang Prabang International Airport	China CAMC Engineering Co., Ltd
BHS Project of Lomé International Airport, Togo	Weihai International Economic & Technical Cooperative Co., Ltd

# Overseas Engineering Reference

Project Name	Contract Party
Supplementary Agreement to the Installation and Commissioning Luang Prabang International Airport	China CAMC Engineering Co., Ltd
Supplementary Agreement to BHS Project of Lome International Airport, Togo	Weihai International Economic & Technical Cooperative Co., Ltd
ELV System Project of Lome International Airport, Togo	Weihai International Economic & Technical Cooperative Co., Ltd
BHS Project of Pointe-Noire Airport, Congo (Brazzaville)	China Jiangsu International Economic-Technical Co., Ltd
ELV System Project of Pointe-Noire Airport, Congo (Brazzaville)	China Jiangsu International Economic-Technical Co., Ltd
Purchase Contract of BHS in Oman Airport	Dalian Liaoye Minerals Co.
Design of Baggage System for the New International Airport in Luanda, Angola	Zhongji Airport Construction Co.
Procurement of BHS Equipment for the Faleolo International Airport Upgrade Project, Samoa	Shanghai Construction Engineering Group Co.
Purchase of ELV System Equipment and Materials in Lome Airport Phase II, Togo	Weihai International Economic & Technical Cooperative Co., Ltd
Maintenance of ELV System at Phase II of Lome International Airport, Togo	Weihai International Economic & Technical Cooperative Co., Ltd
Construction of ELV Systems for the Second Phase of the Lome International Airport Project	Weihai International Economic & Technical Cooperative Co., Ltd
Installation of ELV and BHS for the Kenneth Kaunda International Airport Upgrade and Expansion Project	China Jiangsu International Economic-Technical Co., Ltd
Procurement of ELV and BHS for the Kenneth Kaunda International Airport Upgrade and Expansion Project	China Jiangsu International Economic-Technical Co., Ltd

# Overseas Engineering Reference

Project Name	Contract Party
Integration of ELV Systems for the Faleolo International Airport Upgrade Project, Samoa	Shanghai Construction Engineering Group Co.
BHS Project of Malabo Airport, Equatorial Guinea	Weihai International Economic & Technical Cooperative Co., Ltd
TP CCTV Supply and Installation in Macau International Airport	CAM Macau International Airport Co., Ltd
ELV System, BHS and Security System in Roberts Airport, Liberia	China Communication Construction Co.
Signage System Project in Dhaka Airport, Bangladesh	Xebec Trade Co.
BHS Project in Cuito Airport, Angola	China Railway 20th Bureau Group Corporation Limited
ELV Project in Cuito Airport, Angola	China Railway 20th Bureau Group Corporation Limited
Construction of ELV System in New Luanda International Airport, Angola	China National Aero-Technology International Engineering Co.
Ecuador Post-Disaster Reconstruction Phase (Transportation Infrastructure) Project	China National Electronics Import & Export Corp.
Electromechanical Engineering of VIP Building in Velana International Airport, Maldives	Beijing Urban Construction Group Co., Ltd
Cargo and Refrigerated Warehouse Engineering of Velana International Airport, Maldives	Beijing Urban Construction Group Co., Ltd
Electromechanical Engineering of Velana International Airport, Maldives	China Jiangxi International Economic and Technical Cooperation Co.
BHS Project of Ndola International Airport, Zambia	China Jiangxi International Economic and Technical Cooperation Co.

# Overseas Engineering Reference

Project Name	Contract Party
Technical Consulting of ELV System and Security System for Bangkok Suvarnabhumi Airport	China Railway First Group Co., Ltd
BHS Project of Zanzibar International Airport, Tanzania	Beijing Construction Engineering Group
ELV System of Sesay Airport, Mozambique	Shandong Foreign Economic and Technical Cooperation Corporation
ELV & ATC System of Siem Reap Angkor International Airport, Cambodia	Yunnan Construction and Investment Holding Group Co., Ltd
Procurement and Installation Guidance of Equipment for the Low-Level Control System at the New International Airport in Luanda, Angola	Pteris Global Limited
Procurement and Installation Guidance of Equipment for the High-Level Control System at the New International Airport in Luanda, Angola	Pteris Global Limited
Procurement of Check-in Equipment for the New International Airport in Luanda, Angola	Pteris Global Limited

# Our Advantages

## Full-Process Service

We can provide *full-process services* including consultation, design, products, integration and installation.

## Extensive Project Experience

We have *extensive experience* in ELV and ATC system project, enabling us to meet diverse system configuration requirements and address various on-site emergencies.

## Competitive Pricing Advantage

We can offer more *competitive prices*, due to our comprehensive product range and large production volume.

**THANKS!**
